2024-2025

CONGRATULATIONS!

You're getting married! So how do you feel?

This is such an exciting time and there's so much to think about. I have been shooting weddings for 10 years and documented hundreds of beautiful days and moving moments across the UK and Europe in my signature, editorial style. From high-end luxury ceremonies and parties, to petite intimate marriages so trust me, you're safe in my hands.

Fill me in on your plans and let's make some magic together.

I'M HERE FOR EVERY MOMENT, THE ROMANCE TO THE
EPIC DANCE FLOOR. THE RAW EMOTION, THE TENDER
TOUCHES AND PASSION FUELLED KISSES. I'M ABOUT
HEART SKIPPING MOMENTS, SOULFUL IMAGES AND
BEST FRIEND ENERGY.

IT'S A

Love Affair

Photography isn't just my job, it's truly part of who I am. I love art and music, travel and fashion and all of this inspires my editorial shooting style and warm toned edits. I love beautiful things and I want to create for you stylish, romantic images with fun and sincerity which document your day and give you a beautiful gallery of front cover worthy moments. Of course we'll shoot all the obligatory group photos too. We'll capture candid moments, all your gorgeous details and precious times with the people you love most. And trust me when I tell you, you'll let your guard down, you'll feel totally at ease and you'll embrace every moment we create.

For something really unique, I shoot a hybrid of super powerful digital photos with a blend of slower, meaningful nostalgic 35mm film.

I travel across the UK and Europe to document my wonderful couples so share your vision with me and trust me to deliver everything you want, and more.

Witnessing and documenting the moment you truly join your lives together is an honour. I am absolutely passionate about capturing the essence of you, your day and your love.

I'm here for romance, fun, dancing and champagne. I'll be with you at your intimate elopement or join you on the dance floor at your epic country house party - and everywhere in between. And I do LOVE a dance floor.

WHAT YOU WANT TO KNOW

Frequently Asked Questions

Will we spend ages having photos?

Definitely not. It's your day and I want to document your main character energy. I'll never drag you away from the party or keep you away from you guests. Your photos are a product of the day, not a feature.

How many photos will we receive?

I will always deliver a minimum of 600 but it's usually around 800. This is as well as the images you will receive in your preview gallery.

Do you do videography as well?

I focus all my energy and skills into creating a gallery of incredible photos. I can absolutely organise someone fantastic for your day or put you in touch with a number of talented creatives.

Do you do prints and albums?

Yes! I have made it super simple to buy professional quality prints and products direct from your gallery. Just choose what you want, the sizes and quantities and get them delivered direct to your door.

Do you charge for travel?

All travel within Devon and Cornwall is covered but I shoot a lot in the Cotswolds, Bath, Somerset and Surrey. It depends on the venue. Let's chat about where and when.
